

**Job Title:****Multi-Skilled Electrician****Department:****Property Services****Reporting To:****Electrical Team Manager**

Please note: this job description outlines key responsibilities and duties but is not exhaustive. Additional tasks may be assigned as needed to support Magenta Living's goals and objectives.

How your role will contribute to Magenta Living's Purpose, Vision & Values:

Our Purpose:

Empowering people is our purpose.

Our Vision:

We believe in opening doors to homes full of love, communities full of life and a world full of possibilities.

Our Values:

'Do the Right Thing.'

This is the thread that weaves our actions, decision-making, and connections.

- Carrying out improvement, repair and installation activities in a way that sustains high levels of quality and customer satisfaction within our multi-skilled right first time culture.
- Delivering a complete range of electrical duties, including improvement, compliance EICR testing, repair work activity, investment works and fan installations to support our commitment to have healthy homes free of damp, mould and condensation.
- To be responsible and accountable for delivering the highest possible standard of customer service to customers in all aspects of the electrical role.
- Collaborate with, and support others in the team, creating a positive team environment that enables everyone to perform at their best.
- Represent the organisation in a professional and positive way, living and promoting Magenta Living's purpose, vision and values.
- Undertake all aspects of the electrical role, in a way that is agile and flexible. Adopting a multi-skilled whole job repair approach to the work, that achieves Magenta Living and recognised industry standards of compliance, quality and productivity.
- Adhere to all Health and Safety legislation, as well as risk management processes and procedures.
- Carry out electrical installation condition report (EICR) in void and tenanted properties.

At **Magenta Living**, our **Purpose, Vision & Values** aren't just words that sit on a page.

They serve as a constant reminder of **why we do what we do**.

*Let's all **#BeMoreMagenta**.*

What you will bring to us:

Essential Skills & Experience

- Completion EICR works and certification.
- Competent fault finding and rectification.
- Accurate coding of observations.
- Experience working in social housing would be advantageous.

Education & Qualifications

- NVQ Level 3: C&G 2330, 2357 or equivalent.
- Qualifications for initial and periodic testing and inspection: C&G 2391, 2392 or equivalent.
- Level 3 Award in Requirements for Electrical Installations BS7671:2018 2382-18 (18th Edition).

This role is not subject to a mandatory DBS check.
